

Evidence-Based Reading and Writing SAT Scores

Math SAT Scores

NOTES:

The College Board introduced a new SAT test that affected Fall 2017 incoming students at Swarthmore. National SAT averages are presented for those who took the new SAT. Swarthmore matriculant SAT scores are presented using the new scoring metric. In 2006, the "Verbal" SAT was renamed the "Critical Reading" SAT; this was replaced by "Evidence-Based Reading and Writing" (ERW) in 2017. In 1996, the College Board recentered the SAT scales. Scores for Swarthmore's 1995 entrants are presented in both original and recentered scales, for comparison. Earlier figures may be based on matriculants as of the summer "snapshot" of data by the Admissions Office. *Swarthmore was test optional for those applying to enroll Fall 2021, Fall 2022, and Fall 2023. Per Federal reporting guidelines (IPEDS-Admissions) and College policy, these summaries reflect only verified scores submitted for consideration in the Admissions decision.
