NOTES:

The NSF reworked its "broad field" categories in 2017. The data presented comprise an exhaustive list of the new categories.

Rank shown is among all 423 liberal arts institutions from where doctorate recipients in FY 2018 earned their bachelor's degrees.

"Liberal Arts Colleges" include all "Baccalaureate Colleges" and "Baccalaureate/Associate's Colleges" as defined by the 2018 Carnegie Classification. The current comparison pool may differ from previous years.
